Unit D1, North City Business Park, North Rd, Finglas, Dublin 11

# This technology is completely **GREEN & CHEMICAL FREE** with Huge Cost Saving Benefits!

- Reduce polishing of wine glasses - Sparkling clear results cut down labour costs
- Eliminate the cost of Rinse Aid or Detergent
- Glasswashers last longer and perform better
- Larger capacities available for bigger demand
- Patented technology using Aqualen, Turbo streaming
- Green product – less water wastage, chemical free and an end-of-life reuse solution
- Low energy consumption
- Available only in Ireland through ERG

We use Patented AQUAPHOR Smart Technology to produce crystal clear clean glasses without the use of chemicals in all water conditions throughout the country.

Patented smart technology.

Improve customer experience.

Environmentally friendly.

Sparkling Clean Glassware.  
Perfect head retention.

Reduce polishing of wine glasses.  
Reduce labour costs.

Now it is possible to get a perfectly clean glass *every time*

all chemically free

#### Stage 1

#### **AQUALEN** **Patented Superior Pre-Dual Filtration**

Provides:

1. High speed impurity and Chlorine removal
2. Effective removal of heavy metals from water sources of all hardnesses
3. Efficient bacteriostatic qualities (due to activated silver)

#### Stage 2

#### **TURBO STREAMING UNIT** **Patented Smart Technology**

Provides:

1. Flushes all impurities
2. Huge water saving on wastewater

#### Stage 3

#### **CRYSTAL DIPRO 3 STAGE** **Sparkling Filtration System**

At this stage it produces clean glassware – not just clean, but sparkling.

1. Compact 3 STAGE demineralization water purifier
2. Including UF for bacteria removal

**Eclean Single**  
suitable for one  
glasswasher

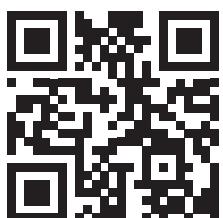

**Eclean Duo**  
High Capacity - suitable  
for two glasswashers

ERG with Aquaphor are delivering the eclean system  
to help you provide the best customer experience
